MINUTES OF MEETING

S No	Agenda Point	Discussion	Action Planned	Responsibility	Target Date
1	High end antibiotic intimation forms	Committee suggested that daily clinical pharmacologist can collect the HEA intimation forms from the concerned nursing staff and to submit to the Microbiologist or Infection control officer for evaluating the proper antibiotic adherence.	It is decided to discuss with pharmacy manager and to finalise for the effective monitoring of high end usage forms by the clinical pharmacologist	HIC Chairperson	01-11-2021
2	Microbiology request forms	Microbiology request forms to be filled completely by the duty doctors.	Incomplete request forms received to microbiology are to be returned back to the concerned department for complete filling	Nursing Incharges/Duty Doctors & Microbiologist	01-11-2021
3	Condemnation of wornout instruments	Committee suggested all rust stained, broken and not working surgical instruments, which are non repairable to be replaced with new instruments.	Dept. Nursing incharges are advised to clean all the rusted surgical instruments with appropriate rust solution available in the hospital and also to replace all the non-repairable instruments with new instruments.	Nursing Incharges & Nursing HOD	01-11-2021

Prepared by : Ms. P.Revathi (ICN)  25/10/2021
